***NYCID believes in nurturing personal growth and teaching the power of choice. All youth deserve support, love, guidance, and opportunity. We offer a continuum of care for youth ages 5 through 24. Whether it is helping youth develop problem-solving skills, enriching a young mind with engaging activities after school, or preparing youth for employment and careers, NYCID offers the attention youth need to succeed.***

***To help us continue this work, students are participating in our first Annual Walk-a-thon that promotes wellness and fitness. There are different ways in which you can help – a promise of a pledge to us is a promise of a better future for one of our kids.***
